● Tuition and Fee Payments	
Q	I'm an international student and concerned about having to pay all fees at once. After enrolling in TIU, how much and how often do I have to pay per year? Will I have to pay the whole year at once?
A	1) First, you will be invoiced to pay 250,000 yen as the enrollment fee, 100,000 yen (per semester) for the facility expenses as well as the 1st semester fee to secure your place at TIU by the date indicated in the Key Dates table on page 3. Each payment should be settled in a single payment. 2) Tuition and fees for the 2nd semester will be billed at the beginning of the 2nd semester. 3) For the second year, you will be requested to pay twice each year, in April and September, while you are enrolled at TIU. The amount of tuition and other expenses for the first year is shown on page 14.
Q	Can I pay my tuition fees with a credit card from my home country?
A	While you can pay for the application fee with a credit card from your home country, all future payments for tuition and other expenses must be made by bank transfer.
