

# Notice on the Novel Coronavirus Vaccination (I)

- Non-Japanese nationals can also receive the vaccination.

\*The vaccination is available to non-Japanese nationals who have registered as foreign residents in Japan and have a Certificate of Residence.

- The vaccination is free of charge.

## STEP #1

• You will receive a notification and vaccination vouchers (coupons) from your local government offices. Please read the information you receive carefully.

★ You will receive vaccination vouchers for two doses of the vaccine. Please keep them in a safe place, and do not cut or peel off the vouchers.

## STEP #2

• Make a reservation to receive the vaccine. You can make reservations on the internet or by telephone.

• It is necessary to receive two doses of the same type of vaccine. On two separate dates, you will be given one dose each of the vaccine. A reservation is required to receive each dose.

• The telephone number and URL for reservations can be found in the notification you receive.

## STEP #3

• Fill in the Prevaccination Screening Questionnaire.

• Please fill in the questionnaire in Japanese.

• You will need two copies of the Prevaccination Screening Questionnaire (one for the first time you get the vaccine, and one the second time you get the vaccine).

## STEP #4

• Receive the vaccine at the vaccination site or medical institute where you made a reservation.

• Things to take with you: Vaccination Voucher (coupon), Identification documents (residence card, passport, etc.), Prevaccination Screening Questionnaire

\* Please read the notification you receive from your local municipality regarding what to take and any points to note.

## Notice on the Novel Coronavirus Vaccination (2)

- You can contact the Japanese government offices in charge of the vaccine (The Ministry of Health, Labor and Welfare), in Japanese or other languages with any questions about the vaccine.
- Please check your local municipality website for the latest vaccination information.

### HELP #1

• You can use the Ministry of Health, Labor and Welfare's COVID-19 Vaccine Navi website to search for vaccination sites. However, it is not possible to make a reservation directly through the COVID-19 Vaccine Navi website.
